

EyeOnWater

Customer Portal

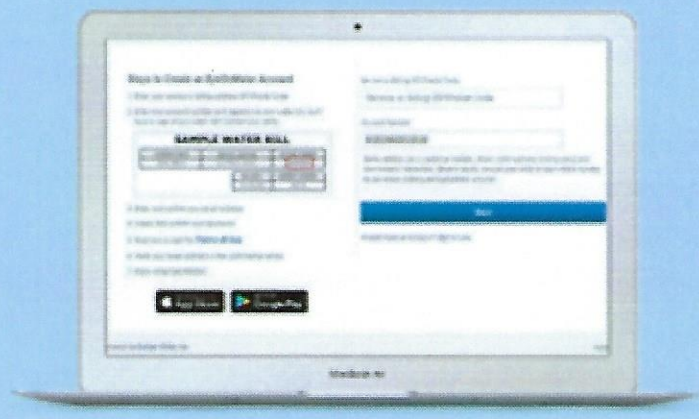

Welcome to EyeOnWater! Mustang Special Utility District provides cellular meter capabilities at your location. Your meter readings will now be recorded daily. You have the capability to see your water usage using the EyeOnWater customer portal. To start monitoring your water usage, follow these easy 2 steps:

Step 1:

Visit <https://eyeonwater.com/signup> on your computer using a supported web browser, such as Google Chrome, Internet Explorer, or Microsoft Edge.

On this page, enter your zip code under Service or Billing ZIP/Postal Code that appears on your utility bill.

For the Account Number, enter your account number for Mustang Special Utility District. This can be found on the top right side of your utility bill (do not include the dashes). Click Next once your utility's name appears.

Step 2:

Fill in your information, create a password, and accept the terms of the agreement- Click Next.

You will receive a confirmation email from Badger Meter, Inc. Verify your email address by clicking on the link in the confirmation email. Once that is completed, you can sign in and begin using the application.

EyeOnWater

Features

This is the main account screen that you will see when you log into your account.

This location is where you can create leak alerts to notify you via email if there is a leak past the meter. If there is constant water for a minimum of 24 hours there will automatically be an alert here.

The bottom left provides reading frequency information.

These tabs allow you to view usage depending upon your frequency preference.

Download the app by searching "EyeOnWater" in the Apple Store or Google Play Store.

The top right shows a comparison of the current 7 days and the 7 days prior.
